## **Old business**

Read email from Irene: Robin says that she's had no luck with her contacts. She did say that if we had a truck to transport the chips, we could get them from the city, but she can't get us transportation. If you have a meeting this week, perhaps discuss other ways of getting chips, buying them, getting them from landscapers, etc.

## **New business**

There was no new business.

Respectfully submitted,

Neil Kohl  
Secretary
